## THE WORLD'S DOINGS

A Summary of the Daily News.

PROCEEDINGS OF CONGRESS. In the Senate, on the 4th, amnorials presented was one by Mr. Ingalis remonstrating against the passage of the bill reinstating Fitz John Porter. The Senate took up and passed without debate the bill reported by Mr. Gariand, from the Committee on Judiciary, to punish counter-felling within the United States of notes and bonds or other accurities of foreign flow-erances. feiting within the United States of notes and bonds or other securities of foreign Governments. The Senate took up the bill to provide for the exercise of jurisdiction conferred upon the United States in places out of their territory and dominion. When the reading of the bill was concluded the Senate went into executive session and soon adjourned. In the House, Mr. Lamb, from the Committee on Foreign Affairs, reported a bill to amend the Chinese Immigration act. Mr. Wemple, from the Committee on Hailways and Canais, reported a bill for the permanent improvement of the Eric canal, and maintaining the same free to the people.

In the Senate, on the 5th, Mr. Garland, ably the original bill for the colle ably the original bill for the collection of sta-tistics touching marriage and divorce. Mr. Cockrell introduced a bill to amend the re-vised statutes, so as to give to processes of United States Courts the same force in all States that the processes of the several States have in their respectives Seatos. In the House, on motion of Mr. Blanchard, a bill was passed making an appropriation of \$5,00 to supply the deficiency in the amount required for the expenditures to uscertain the depth of water and width of the channel at South Pass, Mississippi River and tributaries. The House then went into Committee of the Whole, Mr. Converse in the chair, on the Naval Appropriation bill. Considerable de-bate was had, most of the amendments being
